For children in Years 5-6

What is the Arvo Club?

Arvo Club is a fun Kids Club for children in Years 5 & 6 that runs on Friday afternoons during school term time with arrival from 3:15 and finishing at 5pm.

Children across the Southern Highlands are welcome to join in as we grow friendships, have fun and learn more about Jesus and what it means to be his follower.

Arvo Club has a really relaxed feel to it (it is Friday afternoon after all!) and the kids just really love spending time with their friends and playing games together. It is a great opportunity to meet children from other schools, particularly as the Year 6s are preparing to move on to High School. We hope that this time of transition will be made easier if they know friends from Arvo Club who will be going to the same school.

We believe that knowing Jesus and following him is life giving. At the Arvo Club children will be introduced to God through His Son Jesus

Sample Afternoon

Children will be arriving at different times following school, so our program caters for this. From 3:15 we are ready to receive children.

Children will check in, afternoon tea is provided and children have time to enjoy some down time before handball or large group game starts up that is easy for children to join in as they arrive. From 4pm a more structured program begins with some Bible input that might take different forms, small group discussion and activities. Then there is just enough time for another game or two!

Our Leaders

Please be assured that we have trained and enthusiastic volunteers working with the children. Our adult leaders have completed the NSW Working with Children's Check Clearance and all leaders have undergone 'Safe Ministry Training' which is a requirement of the Sydney Anglican Diocese. They love working with kids and highly value the importance of teaching them about Jesus.

Feel free to discuss any matters that concern you with the leaders.

Attending Arvo Club

Children will need to have completed a registration form before participating in the Arvo Club. This form communicates vital information such as allergy and medical issues, emergency contact details and how your child will be travelling to and from Arvo Club.

You can complete this form online at bowralanglican.org.au/kids, at our Check In Desk on arrival, or pop into the office any time during the week.

Our fee is \$3 per week or you can pay for the full term at a discounted rate. This can also be done online or at Check In. This fee is used to cover our consumable costs.

As children arrive they will need to Check In at our Welcome Desk. Children will also be required to check out as they leave. This helps us to keep the children safe and know who is on the premises and who has left.

We hope your child will love coming to Arvo Club and will feel settled and included very soon.
