## Sermon Series

We have changed the sermon series after Easter to Habakkuk. It is a great short book wrestling with living by faith in a crazy world, especially when we have trouble understanding God's plans for his people.

We will encourage Connect Groups to use the following four week interactive bible study that Matthias Media have just released a that goes with these four weeks in Habakkuk. It can be downloaded by anyone for \$5.95 from the Matthias website (alternately you can have the book delivered to you \$7.95 + postage from Matthias website). We will encourage groups to download the studies, and use them in their study group.

Graham will be sending out more information to your connect group leaders on this bible study.

If you are not in a connect group, we encourage you to download this bible study and work through it along with the Sermon series. Please contact the church office if you have any problems doing this.

## Easter Services - ONLINE

After this service we are trying a zoom morning tea (zoom is a fabulous tool for seeing other people online and being able to chat together in real time. It is a little like skype or facetime, but you can see lots of people at home together and chat) its very easy to use. Simply click on the link to join for fellowship.

**Easter Day** there will be two separate services, one Traditional and one more Contemporary. Please encourage your friends and family to watch along with us, both will be available after 7.30 on [www.bowralanglican.org.au/online/](http://www.bowralanglican.org.au/online/)

## Facebook

If you are inclined to use Facebook, we encourage you to “like” the St Jude’s Facebook page and join the St Jude’s connect private group. It is a very casual, lovely way to keep in touch with others at St Jude’s. You don’t need to use other aspects of Facebook, you can just login, find the group and you can join (members of St Jude’s only). It is like having an online community noticeboard.

## Care

Kate has been recording some wonderful clips of ways we can care for each other please keep an eye on the care page [www.bowralanglican.org.au/care](http://www.bowralanglican.org.au/care)

## Church Office / Keeping in touch

The office is closed but we are still working, mostly from home. Technology has allowed us to divert phones, and communicate via our computers. We are still receiving all calls and emails [office@bowralanglican.org.au](mailto:office@bowralanglican.org.au) and on the office phone number 48624383, please keep sending them. We encourage you to keep in touch with any changing needs you or your friends may have.

## Prayer

The staff team are still gathering (online) to pray together each day at 2.30pm when possible. If you have specific needs or prayer requests, please let us know (by phone and email). We can include your requests in this time that we “get together” and pray as a team. Regular prayer points are attached to each Sunday service outline that will be sent for Sunday worship. Please remember our link missionaries as you pray also.

## Finances

We are extremely grateful that so many of you are continuing your regular giving, and some have changed to online giving.

*Online Giving:* Electronic banking details for regular direct credit are below. We will be adding a *Paypal* button to the online giving platform next week so that you can choose to give via your Mastercard and Visa cards if that is easier for you in the present situation.

We really need to keep up the cash flow so that we can continue to pay the staff and meet our commitments.
