COMBINED SERVICES

For the first four Sundays in January our two 9:30 congregations will be combined. We will alternate between the two buildings - meeting in the traditional church building for communion Sundays on 1st and 15th January, and in the auditorium church building on the 8th and 22nd of the month. Please see overpage for a full list of January services.

This presents not just a helpful way to streamline ministry for those Sundays, but will also give members of our auditorium congregation the chance to experience church in the traditional building. I anticipate it will be an enriching and encouraging time.

Warmly, Gav
